TOWN OF SOUTHOLD

June 15, 2010

I am pleased to offer a copy of the Town of Southold's Youth Bureau Resource Directory to assist your efforts in finding programs and services to promote the positive development of youth.

The Youth Bureau board consists of many dedicated volunteers who participate in many activities to enhance the lives of our youth. A subcommittee of the Youth Bureau has worked diligently to develop and update this directory and I thank them for their efforts.

Please understand that this is the beginning of many future efforts to gather up-to-date and pertinent information regarding activities that assist the development of youth. It is "a work in progress" and will continue to evolve as additional information is received. This publication will be produced annually and distributed to local parents and youth, schools, libraries, providers, etc. If you have any questions or wish to provide additional information, please email Phillip Beltz at [Phillip.beltz@town.southold.ny.us](mailto:Phillip.beltz@town.southold.ny.us).

The Town Board is eager to work with you towards advancing the quality of life of youth in the Town of Southold.

Sincerely,

*Scott A. Russell*
